

### Approvals

Cavo, Mr. James D.

Vol. 62, No. 2; National Maritime Center; Summer 2005; "Merchant Mariner Training. How courses are awarded the U.S. Coast Guard 'seal of approval.'" p. 18

Cratty, Mr. James W.

Vol. 62, No. 2; National Maritime Center; Summer 2005; "Course Oversight. Protecting the validity of mariner credentials." p. 25

Drayer, Lt. j.g. Patrick A.

Vol. 62, No. 2; National Maritime Center; Summer 2005; "Merchant Mariner Physical Examination. A critical part of the mariner credential application process." p. 41

Hammond, Lt. Cmdr. Mark

Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Cove Point Risk Assessment. Coordination, risk-based decision making, and outreach were the keys to success." p. 87

Hoffmann, Mr. Richard; Lykens, Ms. Alisa; O'Donnell, Ms. Lauren  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "FERC's Environmental Review Process. How the U.S. Coast Guard participates." p. 73

### Assistant Commandant's Perspective

Gilmour, Rear Adm. T.H.

Vol. 62, No. 2; National Maritime Center; Summer 2005; "Assistant Commandant's Perspective." p. 4

Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Assistant Commandant's Perspective." p. 4

Vol. 62, No. 4; Industry Success Stories; Winter 2005-2006; "Assistant Commandant's Perspective." p. 4

Sirois, Rear Adm. R. Dennis

Vol. 62, No. 1; International Ice Patrol; Spring 2005; "Assistant Commandant's Perspective." p. 4

### Champion's Point of View

Fink, Capt. Ernest J.

Vol. 62, No. 2; National Maritime Center; Summer 2005; "Champion's Point of View." p. 5

Hicks, Cmdr. Michael

Vol. 62, No. 1; International Ice Patrol; Spring 2005; "Champion's Point of View." p. 5

Salerno, Capt. Brian

Vol. 62, No. 4; Industry Success Stories; Winter 2005-2006; "Champion's Point of View." p. 5

Thomas, Capt. Lorne

Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Champion's Point of View." p. 5

### Deepwater Ports

Blakemore, Mr. D.

Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Regional LNG Update. Energy demand fuels liquefied natural gas import site development in the Gulf of Mexico." p. 12

Brown, Lt. Cmdr. Callan; Lane, Captain Mark K.; Oelschlegel, Cmdr. Chris

Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Examining the *Excelsior*. Completing the initial COC examination of the first-ever LNG carrier with onboard regasification." p. 59

Gilmour, Rear Adm. T. H.

Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Assistant Commandant's Perspective." p. 4

Hammond, Lt. Cmdr. Mark

Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Cove Point Risk Assessment. Coordination, risk-based decision making, and outreach were the keys to success." p. 87

Malinoski, Lt. Zachary; Smith, Mr. Ken, Lt. Cmdr., USCG, Ret.

Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Third-Party Technical Review. NVIC 03-05 opens the door for certifying entities to review LNG deepwater ports." p. 63

Prescott, Mr. Mark

Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "LNG and the Deepwater Port Act. Responding to increasing domestic demand for natural gas." p. 56

Thomas, Capt. Lorne

Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Champion's Point of View." p. 5

Wright, Mr. Jeff C.

Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "The Developing Market for LNG in the United States. Demand for natural gas is expected to exceed supply." p. 8

### Environmental Protection

Vol. 62, No. 4; Industry Success Stories; Winter 2005-2006; "Hurricane Katrina. The U.S. Coast Guard responds." p. 45

Baldinelli, Lt. Cmdr. Darnell; Cushing, Cmdr. John

Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Approval of Shoreside LNG Terminals. The Coast Guard's role and its relationship with FERC for siting onshore or near-shore LNG terminals." p. 66

Barker, Lt. Matt; Book, Mr. Paul; Prazek, Mr. James; Stockwell, Lt. Jenn

Vol. 62, No. 4; Industry Success Stories; Winter 2005-2006; "Chemical Transportation Advisory Committee. Marine industry members are working with the U.S. Coast Guard to ensure safe transport of potentially hazardous material." p. 15

Blakemore, Mr. D.

Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Regional LNG Update. Energy demand fuels liquefied natural gas import site development in the Gulf of Mexico." p. 12

Buchsbaum, Lt. Dan; Kiefer, Ms. Jennifer

Vol. 62, No. 4; Industry Success Stories; Winter 2005-2006; "Cleaning Up Wastewater. The Coast Guard, state and federal regulators, and the cruise ship industry collaborate to improve wastewater quality." p. 9

Cushing, Cmdr. John; Magill, Mr. James

Vol. 62, No. 4; Industry Success Stories; Winter 2005-2006; "An Interagency Success Story. Coast Guard partnerships with Minerals Management Service and Federal Energy Regulatory Commission." p. 27

Esposito, Mr. Francis H.

Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Environmental Impacts of Coast Guard LNG Actions. NEPA analysis will be required for almost any action Coast Guard might take to license an LNG terminal." p. 70

Gavelli, Ph.D., Mr. Filippo; Kytomaa, Ph.D., Mr. Harri

Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Liquefied Natural Gas Transportation. Risks and common misconceptions." p. 33

Gritz, Mr. Louis; Hightower, Mr. Michael

Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Liquefied Natural Gas Risk Management. Risk and safety issues resulting from large LNG spills over water." p. 25

Gronlund, Dr. Wayne R.

Vol. 62, No. 2; National Maritime Center; Summer 2005; "The U.S. Coast Guard Marine Safety Laboratory. Our history and missions." p. 63

Havens, Mr. Jerry

Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "LNG and Public Safety Issues. Summarizing current knowledge about potential worst-case consequences of LNG spills onto water." p. 29

Hoffmann, Mr. Richard; Lykens, Ms. Alisa; O'Donnell, Ms. Lauren  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "FERC's Environmental Review Process. How the U.S. Coast Guard participates." p. 73

Kallen, Ms. Dawn

Vol. 62, No. 4; Industry Success Stories; Winter 2005-2006; "Update: Successful Enforcement of the Refuse Act. Following up on the article, "Illegal Sewage Discharges," from Winter 2004-2005. p. 99

Keane, Mr. David N.; Maguire, Mr. Dennis M.; Mentzer, Mr. Ray A.  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Implementing the WSA. Developing robust safety and security plans for onshore LNG facilities." p. 79

McCadden, Lt. Cmdr. Mark

Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Harbor Safety Committees. Enhancing Waterway Suitability Assessments." p. 93

Shipway, Ms. Diane

Vol. 62, No. 4; Industry Success Stories; Winter 2005-2006; "Recovering the *Pacific Gayle*. Logistics and teamwork." p. 40

Thomas, Capt. Lorne

Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Champion's Point of View." p. 5

### Fatigue

Francis, Petty Officer Sara

Vol. 62, No. 4; Industry Success Stories; Winter 2005-2006; "The New Style of Crab Fishery. U.S. Coast Guard and industry work together to make fisheries safer." p. 42

Hewett, Ms. Amy

Vol. 62, No. 4; Industry Success Stories; Winter 2005-2006; "Partnership in Action. Crew endurance management." p. 36

### Ferries

Jeffries, Lt. Cmdr. William T.; Khalifa, Ms. Daisy R

Vol. 62, No. 4; Industry Success Stories; Winter 2005-2006; "Alaska's Extreme Ferries. How the high-speed ferry *M/V Fairweather* is making history in southeast Alaska." p. 19

Sugden, Captain Greg

Vol. 62, No. 4; Industry Success Stories; Winter 2005-2006; "Ferrying Success. How the Washington State Ferry System, the marine industry, and Coast Guard teamed up to deliver a new class of ferry." p. 6

### Fishing Vessels

Francis, Petty Officer Sara

Vol. 62, No. 4; Industry Success Stories; Winter 2005-2006; "The New Style of Crab Fishery. U.S. Coast Guard and industry work together to make fisheries safer." p. 42

Shipway, Ms. Diane

Vol. 62, No. 4; Industry Success Stories; Winter 2005-2006; "Recovering the *Pacific Gayle*. Logistics and teamwork." p. 40

### Hazardous Materials

Baldwin, Lt. Brandi

Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Coast Guard MSC. Streamlines SOE Process." p. 45

Gavelli, Ph.D., Mr. Filippo; Kytomaa, Ph.D., Mr. Harri

Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Liquefied Natural Gas Transportation. Risks and common misconceptions." p. 33

Havens, Mr. Jerry

Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "LNG and Public Safety Issues. Summarizing current knowledge about potential worst-case consequences of LNG spills onto water." p. 29

McKechnie, Mr. Joseph E.; Miller, Cmdr. Tom; Skordinski, Mr. Mark

Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Liquefied Natural Gas Shipment. Public-private partnerships facilitate safety, security, and reliability." p. 18

Nicklous, Mr. Joseph J.

Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Accidents, Incidents, Mistakes, and the Lessons Learned From Them. The (sometimes) volatile history of natural gas." p. 22

Rodriquez, Ms. Lucy

Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Compressed Natural Gas. An alternative to liquefied natural gas." p. 39

Schneider, Dr. A.

Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "LNG: Liquefied Natural Gas. What is it? Is it safe? What is the Coast Guard doing about it?" p. 6

Thomas, Capt. Lorne

Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Champion's Point of View." p. 5

### History

Vol. 62, No. 4; Industry Success Stories; Winter 2005-2006; "Hurricane Katrina. The U.S. Coast Guard responds." p. 45

Alexander, Mr. Duyane

Vol. 62, No. 1; International Ice Patrol; Spring 2005; "Seek and Destroy? The history of iceberg demolition experiments." p. 50

Bates, Capt. Robert Stanley

Vol. 62, No. 2; National Maritime Center; Summer 2005; "Mariner's Seabag: Roots of the National Maritime Center. Tracing the history of licensing from 1838 to the present." p. 88

Chubb, Mr. William St. J.

Vol. 62, No. 2; National Maritime Center; Summer 2005; "Merchant Mariner Records. Question: What do James Garner, Carroll O'Connor, and Woody Guthrie have in common? Answer: Each of them, along with 2 million other people, has a personnel record as a U.S. merchant mariner." p. 35

Desh, Capt. Robert L.

Vol. 62, No. 1; International Ice Patrol; Spring 2005; "Walking in the Footsteps of a Hero. The leadership lessons of 'Iceberg' Smith—scholar, scientist, lifesaver, guardian, warrior." p. 60

Hicks, Cmdr. Michael

Vol. 62, No. 1; International Ice Patrol; Spring 2005; "Champion's Point of View." p. 5

Vol. 62, No. 1; International Ice Patrol; Spring 2005; "The U.S. Coast Guard International Ice Patrol.

The Coast Guard's first defense against one of the most dangerous maritime threats—the iceberg." U.S. Coast Guard International Ice Patrol Staff, edited by Cmdr. Michael Hicks, p. 6

Hill, Mr. Brian T.  
Vol. 62, No. 1; International Ice Patrol; Spring 2005; "Mariner's Seabag: Ship Collisions with Icebergs. A brief review, past to present." p. 75

Jarboe, Lt. j.g. Nicolas A.  
Vol. 62, No. 1; International Ice Patrol; Spring 2005; "From Shipboard Sighting to Airborne Reconnaissance and Beyond. IIP seeks continuous improvement for methods of iceberg detection." p. 69

Kerlin, Mr. Donald J., P.E.  
Vol. 62, No. 2; National Maritime Center; Summer 2005; "The National Maritime Center. Recent history and current missions." p. 6

Kirchner, Mr. Albert G.  
Vol. 62, No. 4; Industry Success Stories; Winter 2005-2006; "Pack Your Patience. Leave Your Ego at Home. One man's story of Hurricane Katrina recovery duty." p. 30

Krinking, Cmdr. David  
Vol. 62, No. 2; National Maritime Center; Summer 2005; "The Future of the National Maritime Center. Restructuring and centralization of the Mariner Licensing and Documentation Program." p.10

Murphy, Dr. Donald L.  
Vol. 62, No. 1; International Ice Patrol; Spring 2005; "Seek and Destroy? The history of iceberg demolition experiments." p. 50

Sirois, Rear Adm. R. Dennis  
Vol. 62, No. 1; International Ice Patrol; Spring 2005; "Assistant Commandant's Perspective." p. 4

Skelton, Ms. Anne E.  
Vol. 62, No. 4; Industry Success Stories; Winter 2005-2006; "Mariner's Seabag. 2005 Association for Rescue at Sea Awards." p. 62

Tootle, Petty Officer William  
Vol. 62, No. 1; International Ice Patrol; Spring 2005; "Greenland Patrol. The war years." p. 65

Willis, Mr. Thomas  
Vol. 62, No. 2; National Maritime Center; Summer 2005; "The Long Journey Home. Centralizing the National Vessel Documentation Center." p. 66

**IMO**  
Furukawa, Mr. Jon  
Vol. 62, No. 2; National Maritime Center; Summer 2005; "Why Change Merchant Mariners Documents? Consolidating credentials is the right thing to do for taxpayers and mariners." p. 51

Medina, Ms. Mayte  
Vol. 62, No. 2; National Maritime Center; Summer 2005; "Standards of Training, Certification, and Watchkeeping. Yesterday, today, and tomorrow." p. 75

Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Harbor Safety Committees. Enhancing Waterway Suitability Assessments." p. 93

McKechnie, Mr. Joseph E.; Miller, Cmdr. Tom; Skordinski, Mr. Mark  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Liquefied Natural Gas Shipment. Public-private partnerships facilitate safety, security, and reliability." p. 18

Prescott, Mr. Mark  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "LNG and the Deepwater Port Act. Responding to increasing domestic demand for natural gas." p. 56

Teel, Mr. David  
Vol. 62, No. 2; National Maritime Center; Summer 2005; "An industry Responds to Security Concerns. The U.S. Coast Guard, working in concert with other maritime agencies, seeks to certify security training." p. 28

### P-T-P: Prevention Through People

Abernathy, Mr. Bill  
Vol. 62, No. 1; International Ice Patrol; Spring 2005; "PTP: Lessons Learned: The International Ice Patrol." p. 73  
Vol. 62, No. 2; National Maritime Center; Summer 2005; "PTP: A Feedback Mechanism." p. 86

Barker, Lt. Matt; Book, Mr. Paul; Prazek, Mr. James; Stockwell, Lt. Jenn  
Vol. 62, No. 4; Industry Success Stories; Winter 2005-2006; "Chemical Transportation Advisory Committee. Marine industry members are working with the U.S. Coast Guard to ensure safe transport of potentially hazardous material." p. 15

McLaughlin, Ms. Diana  
Vol. 62, No. 1; International Ice Patrol; Spring 2005; "PTP: Lessons Learned: The International Ice Patrol." p. 73

Stromberg, Ms. Kriste  
Vol. 62, No. 2; National Maritime Center; Summer 2005; "PTP: A Feedback Mechanism." p. 86

### Quality

Goodridge, Cmdr. Nancy; Morris, Mr. Anthony  
Vol. 62, No. 2; National Maritime Center; Summer 2005; "Systematic Improvement Makes Good Business Sense. Implementing ISO 9001: 2000 for the Mariner Licensing and Documentation Program." p.15

### REC: Regional Examination Center

Curry, Lt. Cmdr. Anthony C.  
Vol. 62, No. 2; National Maritime Center; Summer 2005; "An Overview of Regional Examination Centers. Strong teamwork has reduced the number of pending mariner applications over the past few years." p. 56

Lendvay, Lt. Michael; Offutt, Lt. Cmdr. Todd  
Vol. 62, No. 2; National Maritime Center; Summer 2005; "Mariner's Perspective. The Diary of a REC Chief." p. 83

Regional Examination Center Directory  
Vol. 62, No. 2; National Maritime Center; Summer 2005; p. 59

### Regulations

Abernathy, Mr. Bill; Stromberg, Ms. Kriste  
Vol. 62, No. 2; National Maritime Center; Summer 2005; "PTP: A Feedback Mechanism." p. 86

Baldinelli, Lt. Cmdr. Darnell; Cushing, Cmdr. John  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Approval of Shoreside LNG Terminals. The Coast Guard's role and its relationship with FERC for siting onshore or near-shore LNG terminals." p. 66

Baldwin, Lt. Brandi  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Coast Guard MSC. Streamlines SOE Process." p. 45

Blakemore, Mr. D.  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Regional LNG Update. Energy demand fuels liquefied natural gas import site development in the Gulf of Mexico." p. 12

Chubb, Mr. William St. J.  
Vol. 62, No. 2; National Maritime Center; Summer 2005; "Mariner Credentials." p. 38

Cratty, Mr. James W.  
Vol. 62, No. 2; National Maritime Center; Summer 2005; "Course Oversight. Protecting the validity of mariner credentials." p. 25

Drayer, Lt. j.g. Patrick A.  
Vol. 62, No. 2; National Maritime Center; Summer 2005; "Merchant Mariner Physical Examination. A critical part of the mariner credential application process." p. 41

Eastburn, Cmdr. Robert  
Vol. 62, No. 2; National Maritime Center; Summer 2005; "Merchant Mariner Security Services. September 11, 2001, necessitated better

screening for government-issued Merchant Mariner's Credentials." p. 44

Gilmour, Rear Adm. T. H.  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Assistant Commandant's Perspective." p. 4

Hicks, Cmdr. Michael  
Vol. 62, No. 1; International Ice Patrol; Spring 2005; "The Spirit of International Cooperation. International Ice Patrol, in collaboration with other U.S. agencies and various international partners, works to keep mariners informed of ice danger." p. 41  
Vol. 62, No. 1; International Ice Patrol; Spring 2005; "North American Ice Service. An international partnership with the Canadian Ice Service, the National Ice Center, and the International Ice Patrol." p. 46

Keane, Mr. David N.; Maguire, Mr. Dennis M.; Mentzer, Mr. Ray A.  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Implementing the WSA. Developing robust safety and security plans for onshore LNG facilities." p. 79

Malinoski, Lt. Zachary; Smith, Mr. Ken, Lt. Cmdr., USCG, Ret.  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Third-Party Technical Review. NVIC 03-05 opens the door for certifying entities to review LNG deepwater ports." p. 63

McCadden, Lt. Cmdr. Mark  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Harbor Safety Committees. Enhancing Waterway Suitability Assessments." p. 93

McKechnie, Mr. Joseph E.; Miller, Cmdr. Tom; Skordinski, Mr. Mark  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Liquefied Natural Gas Shipment. Public-private partnerships facilitate safety, security, and reliability." p. 18

Medina, Ms. Mayte  
Vol. 62, No.2; National Maritime Center; Summer 2005; "An Umbrella Plan. Coordinating the efforts involved in refining the Mariner Licensing and Documentation Program." p.8  
Vol. 62, No. 2; National Maritime Center; Summer 2005; "Standards of Training, Certification, and Watchkeeping. Yesterday, today, and tomorrow." p. 75

Prescott, Mr. Mark  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "LNG and the Deepwater Port Act. Responding to increasing domestic demand for natural gas." p. 56

Saburn, Mr. Brendan  
Vol. 62, No. 2; National Maritime Center; Summer 2005; "Mariner Documentation Program. Licensing and Documentation examinations." p. 22

Stoermer, Lt. Scott A.  
Vol. 62, No. 1; International Ice Patrol; Spring 2005; "Airborne Reconnaissance at International Ice Patrol. Achieving effective ice reconnaissance while maintaining crew and aircraft safety." p. 55

Thomas, Capt. Lorne  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Champion's Point of View." p. 5

Walker, Mr. Stewart  
Vol. 62, No. 2; National Maritime Center; Summer 2005; "Obtaining a Mariner's Credential. An overview of the process." p. 54

Willeford, Lt. Cmdr. Byron  
Vol. 62, No. 1; International Ice Patrol; Spring 2005; "Ice Patrol Duty. IIP personnel and the Aviation Mission Specialist insignia." p.31

Wright, Mr. Jeff C.

Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "The Developing Market for LNG in the United States. Demand for natural gas is expected to exceed supply." p. 8

### Risk

Eastburn, Cmdr. Robert

Vol. 62, No. 2; National Maritime Center; Summer 2005; "Merchant Mariner Security Services. September 11, 2001, necessitated better screening for government-issued Merchant Mariner's Credentials." p. 44

Gritz, Mr. Louis; Hightower, Mr. Michael

Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Liquefied Natural Gas Risk Management. Risk and safety issues resulting from large LNG spills over water." p. 25

Hammond, Lt. Cmdr. Mark

Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Cove Point Risk Assessment. Coordination, risk-based decision making, and outreach were the keys to success." p. 87

Krusa, Mr. Christopher E.

Vol. 62, No. 2; National Maritime Center; Summer 2005; "Partners in Mariner Service. The interagency relationship between the National Maritime Center and MARAD." p. 71

### Search & Rescue

Vol. 62, No. 4; Industry Success Stories; Winter 2005-2006; "Hurricane Katrina. The U.S. Coast Guard responds." p. 45

Skelton, Ms. Anne E.

Vol. 62, No. 4; Industry Success Stories; Winter 2005-2006; "Mariner's Seabag. 2005 Association for Rescue at Sea Awards." p. 62

### Scientific Investigations

Alexander, Mr. Duyane

Vol. 62, No. 1; International Ice Patrol; Spring 2005; "Seek and Destroy? The history of iceberg demolition experiments." p. 50

Devall, Petty Officer Tim

Vol. 62, No. 1; International Ice Patrol; Spring 2005; "Sea Ice. The slow start to ice growth resulted in a 2003-2004 ice season with ice coverage that was much less extensive than normal." U.S. Coast Guard International Ice Patrol Staff, edited by Petty Officer Tim Devall, p. 14

Gavelli, Ph.D., Mr. Filippo; Kytomaa, Ph.D., Mr. Harri

Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Liquefied Natural Gas Transportation. Risks and common misconceptions." p. 33

Gritz, Mr. Louis; Hightower, Mr. Michael

Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Liquefied Natural Gas Risk Management. Risk and safety issues resulting from large LNG spills over water." p. 25

Gronlund, Dr. Wayne R.

Vol. 62, No. 2; National Maritime Center; Summer 2005; "The U.S. Coast Guard Marine Safety Laboratory. Our history and missions." p. 63

Hicks, Cmdr. Michael

Vol. 62, No. 1; International Ice Patrol; Spring 2005; "The U.S. Coast Guard International Ice Patrol.

The Coast Guard's first defense against one of the most dangerous maritime threats—the iceberg." U.S. Coast Guard International Ice Patrol Staff, edited by Cmdr. Michael Hicks, p. 6

Vol. 62, No. 1; International Ice Patrol; Spring 2005; "The Spirit of International Cooperation. International Ice Patrol, in collaboration with other U.S. agencies and various international partners, works to keep mariners informed of ice danger." p. 41

Vol. 62, No. 1; International Ice Patrol; Spring 2005; "North

American Ice Service. An international partnership with the Canadian Ice Service, the National Ice Center, and the International Ice Patrol." p. 46

Hill, Mr. Brian T.

Vol. 62, No. 1; International Ice Patrol; Spring 2005; "Mariner's Seabag: Ship Collisions with Icebergs. A brief review, past to present." p. 75

Jarboe, Lt. j.g. Nicolas A.

Vol. 62, No. 1; International Ice Patrol; Spring 2005; "From Shipboard Sighting to Airborne Reconnaissance and Beyond. IIP seeks continuous improvement for methods of iceberg detection." p. 69

Krein, Petty Officer Tristan

Vol. 62, No. 1; International Ice Patrol; Spring 2005; "The Foggy, Stormy Grand Banks. Weather challenges at International Ice Patrol." p. 34

Murphy, Dr. Donald L.

Vol. 62, No. 1; International Ice Patrol; Spring 2005; "Seek and Destroy? The history of iceberg demolition experiments." p. 50

Stengel, Senior Chief John

Vol. 62, No. 1; International Ice Patrol; Spring 2005; "Icebergs. Northern Greenland's primary glaciers are some of the fastest-moving and most productive in the world." U.S. Coast Guard International Ice Patrol Staff, edited by Senior Chief John Stengel, p. 17

Vol. 62, No. 1; International Ice Patrol; Spring 2005; "Oceanography. The International Ice Patrol has been closely associated with the development of oceanography over the past eight decades." U.S. Coast Guard International Ice Patrol Staff, edited by Senior Chief John Stengel, p. 21

Stoermer, Lt. Scott A.

Vol. 62, No. 1; International Ice Patrol; Spring 2005; "Tracking Icebergs. A brief history of iceberg modeling at the International Ice Patrol." p. 25

Vol. 62, No. 1; International Ice Patrol; Spring 2005; "Airborne Reconnaissance at International Ice Patrol. Achieving effective ice reconnaissance while maintaining crew and aircraft safety." p. 55

### Ship Design

Barker, Lt. Matt

Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "The LNG Market and its Effects on Shipbuilding. Increasing demand for LNG fuels increased shipbuilding." p. 15

Brown, Lt. Cmdr. Callan; Lane, Captain Mark K.; Oelschlegel, Cmdr. Chris

Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Examining the *Excelsior*. Completing the initial COC examination of the first-ever LNG carrier with onboard regasification." p. 59

Brown, Mr. Greg

Vol. 62, No. 4; Industry Success Stories; Winter 2005-2006; "Reflagging the *Westpac Express*. Partnerships at work." p. 31

Buchsbaum, Lt. Dan; Kiefer, Ms. Jennifer

Vol. 62, No. 4; Industry Success Stories; Winter 2005-2006; "Cleaning Up Wastewater. The Coast Guard, state and federal regulators, and the cruise ship industry collaborate to improve wastewater quality." p. 9

Chroninger, Chief Warrant Officer Scott

Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "LNG Carrier Construction in Asia. Rising demand fuels rising construction." p. 43

Felleisen, Mr. Thomas

Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "LNG Tank Designs. Special cargo requires specific design." p. 37

Gritz, Mr. Louis; Hightower, Mr. Michael  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Liquefied Natural Gas Risk Management. Risk and safety issues resulting from large LNG spills over water." p. 25

Jeffries, Lt. Cmdr. William T.; Khalifa, Ms. Daisy R  
Vol. 62, No. 4; Industry Success Stories; Winter 2005-2006; "Alaska's Extreme Ferries. How the high-speed ferry *M/V Fairweather* is making history in southeast Alaska." p. 19

Monib, Mr. Kareem M.  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Engineering Safety Review of Shoreside LNG Facilities. FERC's engineering safety review of LNG terminals is important to a safe and reliable operation." p. 76

Nicklous, Mr. Joseph J.  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Accidents, Incidents, Mistakes, and the Lessons Learned From Them. The (sometimes) volatile history of natural gas." p. 22

Rodriguez, Ms. Lucy  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Compressed Natural Gas. An alternative to liquefied natural gas." p. 39

Schneider, Dr. A.  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "LNG: Liquefied Natural Gas. What is it? Is it safe? What is the Coast Guard doing about it?" p. 6

Sugden, Captain Greg  
Vol. 62, No. 4; Industry Success Stories; Winter 2005-2006; "Ferrying Success. How the Washington State Ferry System, the marine industry, and Coast Guard teamed up to deliver a new class of ferry." p. 6

#### SOLAS

Abernathy, Mr. Bill; McLaughlin, Ms. Diana  
Vol. 62, No. 1; International Ice Patrol; Spring 2005; "PTP: Lessons Learned: The International Ice Patrol." p. 73

Hicks, Cmdr. Michael  
Vol. 62, No. 1; International Ice Patrol; Spring 2005; "Champion's Point of View." p. 5  
Vol. 62, No. 1; International Ice Patrol; Spring 2005; "The U.S. Coast Guard International Ice Patrol.  
The Coast Guard's first defense against one of the most dangerous maritime threats—the iceberg." U.S. Coast Guard International Ice Patrol Staff, edited by Cmdr. Michael Hicks, p. 6  
Vol. 62, No. 1; International Ice Patrol; Spring 2005; "The Spirit of International Cooperation. International Ice Patrol, in collaboration with other U.S. agencies and various international partners, works to keep mariners informed of ice danger." p. 41

Sirois, Rear Adm. R. Dennis  
Vol. 62, No. 1; International Ice Patrol; Spring 2005; "Assistant Commandant's Perspective." p. 4

#### STCW

D'Orazio, Lt. Cmdr Derek A.  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "The Safe Transfer of Liquefied Natural Gas. Person-in-charge qualification requirements for bulk liquefied gas transfers." p. 54

Furukawa, Mr. Jon  
Vol. 62, No. 2; National Maritime Center; Summer 2005; "The New U.S. STCW Endorsement. Enhanced security features for the revised U.S. STCW Endorsement." p. 47  
Vol. 62, No. 2; National Maritime Center; Summer 2005; "Why Change Merchant Mariners Documents? Consolidating credentials is the right thing to do for taxpayers and mariners." p. 51

Goodridge, Cmdr. Nancy; Morris, Mr. Anthony  
Vol. 62, No. 2; National Maritime Center; Summer 2005; "Systematic Improvement Makes Good Business Sense. Implementing ISO 9001: 2000 for the Mariner Licensing and Documentation Program." p. 15

Medina, Ms. Mayte  
Vol. 62, No. 2; National Maritime Center; Summer 2005; "Standards of Training, Certification, and Watchkeeping. Yesterday, today, and tomorrow." p. 75

Saburn, Mr. Brendan  
Vol. 62, No. 2; National Maritime Center; Summer 2005; "Mariner Documentation Program. Licensing and Documentation examinations." p. 22

#### Tank Ships

Baldwin, Lt. Brandi  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Coast Guard MSC. Streamlines SOE Process." p. 45

Barker, Lt. Matt  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "The LNG Market and its Effects on Shipbuilding. Increasing demand for LNG fuels increased shipbuilding." p. 15

Brown, Lt. Cmdr. Callan; Lane, Captain Mark K.; Oelschlegel, Cmdr. Chris  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Examining the *Excelsior*. Completing the initial COC examination of the first-ever LNG carrier with onboard regasification." p. 59

Chroninger, Chief Warrant Officer Scott  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "LNG Carrier Construction in Asia. Rising demand fuels rising construction." p. 43

D'Orazio, Lt. Cmdr Derek A.  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "The Safe Transfer of Liquefied Natural Gas. Person-in-charge qualification requirements for bulk liquefied gas transfers." p. 54

Felleisen, Mr. Thomas  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "LNG Tank Designs. Special cargo requires specific design." p. 37

Gavelli, Ph.D., Mr. Filippo; Kytomaa, Ph.D., Mr. Harri  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Liquefied Natural Gas Transportation. Risks and common misconceptions." p. 33

Gilmour, Rear Adm. T. H.  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Assistant Commandant's Perspective." p. 4

Gritz, Mr. Louis; Hightower, Mr. Michael  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Liquefied Natural Gas Risk Management. Risk and safety issues resulting from large LNG spills over water." p. 25

Monib, Mr. Kareem M.  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Engineering Safety Review of Shoreside LNG Facilities. FERC's engineering safety review of LNG terminals is important to a safe and reliable operation." p. 76

Nicklous, Mr. Joseph J.  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Accidents, Incidents, Mistakes, and the Lessons Learned From Them. The (sometimes) volatile history of natural gas." p. 22

Rodriguez, Ms. Lucy  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Compressed Natural Gas. An alternative to liquefied natural gas." p. 39

Schneider, Dr. A.  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "LNG: Liquefied Natural Gas. What is it? Is it safe? What is the Coast Guard doing about it?" p. 6

Thomas, Capt. Lorne  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Champion's Point of View." p. 5

Yamamoto, Dr. Hisashi  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Manning the Ship. The rapid expansion of the LNG fleet and the implications for seafaring human resources." p. 47

### Training

Cavo, Mr. James D.  
Vol. 62, No. 2; National Maritime Center; Summer 2005; "Merchant Mariner Training." p. 18

Cratty, Mr. James W.  
Vol. 62, No. 2; National Maritime Center; Summer 2005; "Course Oversight. Protecting the validity of mariner credentials." p. 25

Francis, Petty Officer Sara  
Vol. 62, No. 4; Industry Success Stories; Winter 2005-2006; "The New Style of Crab Fishery. U.S. Coast Guard and industry work together to make fisheries safer." p. 42

Jeffries, Lt. Cmdr. William T.; Khalifa, Ms. Daisy R  
Vol. 62, No. 4; Industry Success Stories; Winter 2005-2006; "Alaska's Extreme Ferries. How the high-speed ferry *M/V Fairweather* is making history in southeast Alaska." p. 19

Krusa, Mr. Christopher E..  
Vol. 62, No. 2; National Maritime Center; Summer 2005; "Partners in Mariner Service. The interagency relationship between the National Maritime Center and MARAD." p. 71

McGovern, Mr. Andrew  
Vol. 62, No. 2; National Maritime Center; Summer 2005; "Merchant Marine Personnel Advisory Committee. The relationship between MERPAC and NMC is a busy one." p. 77

Medina, Ms. Mayte  
Vol. 62, No. 2; National Maritime Center; Summer 2005; "Standards of Training, Certification, and Watchkeeping. Yesterday, today, and tomorrow." p. 75

Randall, Mr. Frank  
Vol. 62, No. 2; National Maritime Center; Summer 2005; "National Maritime Center and Military Sealift Command. Partnering to win against terrorism." p. 80

Saburn, Mr. Brendan  
Vol. 62, No. 2; National Maritime Center; Summer 2005; "Mariner Documentation Program. Licensing and Documentation examinations." p. 22

Yamamoto, Dr. Hisashi  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Manning the Ship. The rapid expansion of the LNG fleet and the implications for seafaring human resources." p. 47

### Vessel Documentation

Willis, Mr. Thomas  
Vol. 62, No. 2; National Maritime Center; Summer 2005; "The Long Journey Home. Centralizing the National Vessel Documentation Center." p. 66

### Vessel Security

Eastburn, Cmdr. Robert

Vol. 62, No. 2; National Maritime Center; Summer 2005; "Merchant Mariner Security Services. September 11, 2001, necessitated better screening for government-issued Merchant Mariner's Credentials." p. 44

Esposito, Mr. Francis H.  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Environmental Impacts of Coast Guard LNG Actions. NEPA analysis will be required for almost any action Coast Guard might take to license an LNG terminal." p. 70

Furukawa, Mr. Jon  
Vol. 62, No. 2; National Maritime Center; Summer 2005; "The New U.S. STCW Endorsement. Enhanced security features for the revised U.S. STCW Endorsement." p. 47  
Vol. 62, No. 2; National Maritime Center; Summer 2005; "Why Change Merchant Mariners Documents? Consolidating credentials is the right thing to do for taxpayers and mariners." p. 51

Gavelli, Ph.D., Mr. Filippo; Kytomaa, Ph.D., Mr. Harri  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Liquefied Natural Gas Transportation. Risks and common misconceptions." p. 33

Gritz, Mr. Louis; Hightower, Mr. Michael  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Liquefied Natural Gas Risk Management. Risk and safety issues resulting from large LNG spills over water." p. 25

Hammond, Lt. Cmdr. Mark  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Cove Point Risk Assessment. Coordination, risk-based decision making, and outreach were the keys to success." p. 87

Havens, Mr. Jerry  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "LNG and Public Safety Issues. Summarizing current knowledge about potential worst-case consequences of LNG spills onto water." p. 29

Hoffmann, Mr. Richard; Lykens, Ms. Alisa; O'Donnell, Ms. Lauren  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "FERC's Environmental Review Process. How the U.S. Coast Guard participates." p. 73

McKechnie, Mr. Joseph E.; Miller, Cmdr. Tom; Skordinski, Mr. Mark  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Liquefied Natural Gas Shipment. Public-private partnerships facilitate safety, security, and reliability." p. 18

Nicklous, Mr. Joseph J.  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Accidents, Incidents, Mistakes, and the Lessons Learned From Them. The (sometimes) volatile history of natural gas." p. 22

### Waterways Management

Vol. 62, No. 4; Industry Success Stories; Winter 2005-2006; "Hurricane Katrina. The U.S. Coast Guard responds." p. 45

Cushing, Cmdr. John; Magill, Mr. James  
Vol. 62, No. 4; Industry Success Stories; Winter 2005-2006; "An Interagency Success Story. Coast Guard partnerships with Minerals Management Service and Federal Energy Regulatory Commission." p. 27

Landry, Capt. Mary E.  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "LNG Safety and Security. A local Federal Maritime Security Coordinator's perspective." p. 83

McCadden, Lt. Cmdr. Mark  
Vol. 62, No. 3; Liquefied Natural Gas; Fall 2005; "Harbor Safety Committees. Enhancing Waterway Suitability Assessments." p. 93
